Safety Town Registration Is Open

St George, Utah—The St. George Recreation Division is taking registration for its 2009 Safety Town program. The Safety Town program is designed for children entering into Kindergarten and/or 1st grade this Fall. The children will learn vital safety skills such as stranger danger, fire safety, pedestrian street crossing, bike safety and much more.

Safety Town program will be hosted at East Elementary school on May 26-June 5, 2009. There are three session times to choose from 8:30 am, 10:30 am or 12:30 pm. Parents may find addition information or register online at www.sgcityrec.org. Walk-in registration will be taken at the St. George Recreation Center.

If your older youth (going into 7th, 8th, or 9th grade) would like to volunteer at this year's Safety Town, they are encouraged to complete an application which can be found on-line or at the St. George Recreation Center. Volunteering at Safety Town is a perfect way to have fun with other teens and serve your community at the same time! Volunteers must be able to meet with the program leader on May 22nd for orientation.

For more information on the program, visit www.sgcityreg.org or call 627-4560.
