Youth Indoor Volleyball Clinic To Be Offered- St George, Utah

The St. George Recreation Division is excited to offer a new indoor volleyball clinic for girls and boys ages 12-14 years old. The 5-week clinic will start Tuesday, March 24 at 4:30 pm and will be held on Tuesdays and Thursdays for 1 ½ hours each night. The head instructor will cover basic and intermediate volleyball skills, game strategies and training tips. This program is great for youth interested in the sport and will provide them a solid foundation for future volleyball play. The clinic is \$45 per person and interested parties can register at the St. George Recreation Center or visit www.activityreg.com. For more information, please call 627-4560 or visit the St. George City website at www.sgcityrec.org.
